Carbondale Historical Society will hold a special meeting Thursday at 7:30 p.m. in room 301, Carbondale City Hall.

On the agenda will be a discussion of the society's annual membership drive to be held during the month of October and culminating Nov. 6, the anniversary of the Committee to Restore City Hall.

The society is also planning its annual Fall banquet to be held Nov. 5 at a time and place to be announced.

Persons wishing to join the society may do so by contacting Nan Loftus or Gloria Wilson, cochairpersons of the membership drive or any other member.

PIONEER—Marty Friedman looked like this in 1916 when he played basketball in Carbondale, Pa. Friedman, a 5-foot-8 defensive star, was one of six men named to the Basketball Hall of Fame yesterday.

as I was dressing to go to the NEWS, JVB knocked on my door. He was excused from school this P.M. because of National Guard reasons. He suggested we go to the Hobby Store in Dickson City, also would go with him to the National Guard armory to find out about his physical. Yes, I said, I would be delighted to go with you. We went over and a Sergeant Hoyle was very nice and arranged for John to go to Wilkes-Barre tomorrow at noon for a physical. Somehow Sergeant Hoyle got the impression that I was also interested in joining and I assured him that I was not. His visit took about five minutes. From there we went to the NEWS, where I put together the update on the scandal.
